

Braybrooke Community Nature and Fishing Club

Issue 1. May 2016.

Welcome to YOUR club

Upcoming events

On Saturday 9th April BCNFC held its official launch day at Braybrooke Recreation Ground. There were Angling Trust qualified fishing coaches giving taster sessions. The nature side of the club was well represented

with Birds of Prey and Reptiles on display as well as Pony Rides. The event was well attended and received a lot of positive feedback. Over £200 was raised for the club. BCNFC would like to thank

the coaches, Graham and his staff from Reptile rescue and Birds of Prey for giving up their time free of charge to support the club.

Club Events

BCNFC held it's first club day on Monday 2nd May. In the morning a fishing session was held for those returning to the sport and those new to the sport. There were 38 people who attended the session which was supported by the Angling Trust who provided a qualified coach. In the afternoon a nature session took place themed around animal habitats.

The next event is on Monday 30th May. There will be a 3 hour fishing session in the morning. This will again be supported by the Angling Trust and at least two qualified coaches.

At 8pm on the same day come and join us for a Bat talk and walk.

Why not come and join us.
