

Braybrooke Community Nature and Fishing Club

Open Meeting

Thursday 12th November 2015 at 7.00 pm

Bracknell Town Council are supporting the creation of a community nature and fishing club at 'Jeans' Pond, Braybrooke Recreation Ground.

Once launched the club will be run by the local community, for the local community. An open meeting is being held at the community hall situated between the car park and the pond at the Recreation Ground, Makepiece Road, Bracknell, RG42 2HG.

The aim of the club will be to encourage and support families to fish and to learn about and care for their local environment. The club will extend beyond fishing and will include learning about local birds and wildlife. Local community events will be encouraged to build on the already excellent community spirit that exists in the local area. The club will be supported by Bracknell Town Council Environment Wardens and the Angling Trust. Please come and join us.
