1368 **Great Hollands Pavilion Rebuild.**

Ridge & Co, the appointed design/ construction supervision team (subject to Council ratification) are about to start design work. The application made to Sport England for a grant had been unsuccessful. Two sources for obtaining the £1m loan funding required were being investigated. BTC funding available would be £0.7m to £0.8m., to be confirmed.

NOTED

1370 **South Hill Park**

**Queens 90<sup>th</sup> event on 12<sup>th</sup> June.** BTC had contributed £500 towards cost of music. TC asked to contact SHP to say £11.95 for Cream Tea seemed expensive, since done – price includes wine.

**North Lake:** Remedial works to the sides of lake/ fishing platforms at SHP North Lake are likely to happen in September, and awaiting final confirmation. Recent instances of fish dying seem to have been not linked to repairs being needed to a nearby sewer, but this had been repaired that day.

**Fun Fair:** This had run successfully, with minimal ground damage, good attendance and few resident complaints.

1371 **Summer Activity Days.**

OSM and RFM were organising the Bracknell (probably 3) summer activity events this year. The new facilities were launched on 24th April. Coaching had also successfully started from that date. 39 had purchased the £50 unlimited play tennis cards to date, which would be boosted by future marketing planned now the systems are running smoothly.
