16/00892/FUL	18 Eddington Road	Approval	<p>Bracknell Town Council objects to the change of use of amenity land to residential enclosed by 1.8 m high fence as per BTC Amenity Land policy.</p> <p>Common reasons for enclosure include an increase of garden area for example to allow for the construction of an extension or to bring the land under control for maintenance, especially to prevent littering, dog fouling or other nuisances. Such areas, particularly if part of the highway, may be important for traffic safety reasons. Other areas may be an integral part of the overall design and layout of an estate, contributing to the appearance and character of that estate. Enclosure, in these cases, particularly by high screen walls and fences, could seriously alter the symmetry and attractiveness of an area and destroy the singular character of an estate or locality. In addition, some verges or amenity areas support trees that contribute to the amenity of the area, and it is important that these are retained. BTC will consider the change of use if the land in question fulfils the following: 1) the land does not now, or is unlikely, in the future to fulfill a useful purpose in terms of its appearance, landscaping, recreational use or wildlife value. This area does not fulfil this</p>
