BRACKNELL TOWN COUNCIL  
PLANNING COMMITTEE  
18<sup>th</sup> July 2017

**17/00689/FUL**                                  **Priestwood & Garth**                                  **Parklands, Stoney Road**  
Erection of single storey side and single storey front extensions following demolition of existing conservatory and car port.  
**No objection.**

**17/00652/FUL**                                  **Great Hollands South**                                  **5 Wickham Vale**  
Erection of single storey flat roof rear and side extension.  
**No objection.**

**17/00659/FUL**                                  **Harmans Water**                                  **Raj Bhawan, 58 Harmans Water Road**  
Proposed conversion of single dwelling house to three self-contained flats with raising of garage roof, the erection of a single storey front extension, side porch and addition of balcony in front elevation.

**Bracknell Town Council recommend refusal for the reasons below:**  
**1) Over development of the area. 2) More traffic flow onto a busy main road, a turning circle should be supplied to ensure no reversing on to main road. Concerns regarding shortage of parking spaces to allow for turning circle. 3) Loss of privacy for neighbours to rear of property due to dormers.**

**17/00660/A**                                  **Wildridings & Central**                                  **5 Braccan Walk**  
Display of one internally illuminated fascia sign, 2 internally illuminated hanging signs, 2 backlit signs and 2 plasma screens (Kiko unit).  
**No objection.**

**17/00661/A**                                  **Wildridings & Central**                                  **Land within Bracknell Town Centre**  
Display of two internally illuminated fascia “bulb” signs and one internally illuminated projecting sign (Bill’s unit).  
**No objection.**

**17/00667/FUL**                                  **Harmans Water**                                  **38 Pankhurst Drive**  
Erection of single storey rear extension with roof lantern and single storey front extension.  
**Bracknell Town Council recommend refusal this reason: The front extension would overshadow the adjoining property resulting in loss of light and view for an end corner property, I also refer to the covenant mentioned by the objection from a neighbouring property regarding overshadowing and adverse effect to the character of the neighbourhood. We would not have any objections to the rear extension in this case.**

**17/00668/FUL**                                  **Priestwood & Garth**                                  **27 Merryhill Road**  
Erection of single storey rear extension.  
**No objection.**

TPO 664 – Application to fell 2 and prune 4 trees.  
**Bracknell Town Council recommend refusal on the felling of these trees on basis of keeping to the Bracknell Forest policy of preserving trees and green spaces for a more pleasant environment. We do not have any objections to the pruning of trees when needed.**

**17/00673/A**                                  **Wildridings & Central**                                  **16-18 The Avenue**  
Two internal signs behind the shop front glazing – LED internally illuminated vertical signs. White with orange/pink lettering reading “SUPERDRY”.

TPO 501 – Application to fell one and prune 15 trees.  
**Bracknell Town Council recommend refusal on the felling of trees on basis of keeping to the Bracknell Forest policy of preserving trees and green spaces for a more pleasant environment. We do not have any objections to the pruning of trees when needed.**

**17/00699/FUL**                      **Great Hollands North**                      **4 Blackbird Place**

Display of one illuminated fascia sign and one illuminated projecting sign.

**17/00553/FUL**                      **Old Bracknell**                      **26 Cannon Hill**  
Erection of 1.8m fence and creation of driveway and dropped kerb to the front of the house.  
**Bracknell Town Council recommend refusal for these reasons:**  
**1) The proposal for the drive on the green to the right of the property would mean the loss of amenity land.**  
**2) The property has a garage at the rear enclosing it with a fence would mean loss of the use of this.**  
**3) Removing a healthy hedgerow and replacing it with a long fence line have a negative effect environmentally.**

**17/00648/FUL**                      **Wildridings & Central**                      **Coldborough House Market Street**  
Change of use from bus depot (Sui Generis) to bus depot and car wash (Sui Generis), installation of canopy and siting of storage container (retrospective).

TPO 740 – application to prune 1 tree.  
**No objection.**

**17/00682/FUL**                      **Bullbrook**                      **5 Kenton Close**  
Conversion of single dwelling house to three self-contained flats.  
**Bracknell Town Recommend refusal for these reasons:**  
**1) Loss of a family home when the area already suffers from a lack of suitable family accommodation.**  
**2) Lack of parking spaces in an already busy road that suffers with on road parking issues.**  
**3) Concerns over health and safety issues with the shared stairway that would be for narrow for the use of flats.**

**17/00683/FUL**                                    **Wildridings & Central**                                    **Abbey House, Grenville Place**  
Installation of replacement windows.  
- Bracknell Town recommend refusal for the reason that the alterations are completely out of keeping with the traditional look that has been kept in this old area of Bracknell Town.

**17/00692/FUL**                                    **Crown Wood**                                    **34 Oldstead**  
**Erection of single storey rear extension, single storey front extension and dropped kerb.**  
**Bracknell Town Recommend refusal for these reasons:**  
**1) The single storey front would have an adverse effect to the character of the neighbourhood. We would not have any objections to the rear extension in this case.**  
**2) There is parking provided behind the houses in this road so there is no valid reason for needing to change the front garden of the house to parking spaces with a dropped kerb.**

**17/00706/A**                                    **Hanworth**                                    **J Sainsbury Ringmead**

			littering, dog fouling or other nuisances. Such areas, particularly if part of the highway, may be important for traffic safety reasons. Other areas may be an integral part of the overall design and layout of an estate, contributing to the appearance and character of that estate. Enclosure, in these cases, particularly by high screen walls and fences, could seriously alter the symmetry and attractiveness of an area and destroy the singular character of an estate or locality. In addition, some verges or amenity areas support trees that contribute to the amenity of the area, and it is important that these are retained.
