All Councillors for information

7th November 2018

Dear Councillor,

You are required to attend a meeting of the Strategy and Finance Committee to be held at **7.30pm on Tuesday 13th November 2018**, in the Council Chamber, Brooke House, High Street, Bracknell RG12 1LL. The meeting is open to the press and public.

Yours sincerely
Jackie Burgess
Town Clerk

A G E N D A

1. **To receive apologies for absence.**
2. **Declarations of Interest.**
 - 2.1 To receive declarations of interest from Councillors on items on the agenda
 - 2.2 To receive written requests for dispensations for disclosable pecuniary interests (if any)
 - 2.3 To grant any requests for dispensation as appropriate
A request for dispensation will be made on an individual basis
3. **To approve as a correct record the Minutes of the meeting held on 11th September 2018** (attached).
4. **Matters arising out of the Minutes not to be discussed elsewhere.**

1704/1632 **Bracknell Gymnastics Club 17/01091/FUL.** An update will be given at the meeting.

2268 – Land Inventory – work will commence once the WW1 event and Great Hollands new pavilion is open and operational.
5. **Land Transfer – BFC**

2089 – Land Transfer: The Town and Parish Liaison meeting is postponed until 18th December 2018. If BTC are happy with the sites that are proposed (Beedon Drive, Deepfield Road and Hornby Avenue including Barry Square plus extra land that links Hockey Club land BFC are in a position to instruct their legal team to start the paperwork.

BTC are awaiting a timeline and information on funding before work commences. Following this BFC will focus on getting BTC's existing leases surrendered and re granted. It is understood that this could be a longer process.

6. **Health and Safety** To receive an update on any Health and Safety matters.
7. To receive the report of the **Budget Monitoring Group** held on 6th November (To follow).
8. To receive an update on the **Great Hollands Pavilion** project from the Chairman of the Working Group – Councillor Iain McCracken.
9. To receive an update from the **Community Events working Group** on the event held on 11th November 2018 at North Lake
10. To receive the notes from the **Carbon Footprint Working Group**. (To follow).
11. **Bracknell Town Neighbourhood Plan update.**
Please find attached the proposed BTNP Implementation & Monitoring plan. Committee is recommended to approve for the plan to be included in the BTNP documents.
12. **Budget 2019/20**
The draft budget is being prepared ready for Council to consider. Early indications show that there will be a 2% NJC increase on salaries, with the salary scale points being reformatted. BFC are predicting a rise of approximately 1700 to BTC's tax base. The RFM is currently scouring prices for a replacement vehicle for the Environment Wardens ideally this will be an electric vehicle. The Chancellor of Exchequer, in his speech also announced that public toilets will receive new mandatory business rates relief, this could reduce our business rates for the public toilets at Birch Hill and also potentially for Brooke House as the building is open to the public. BFC have indicated election costs for each contested ward are likely to be around £2.00 per resident. No major works are currently being considered for 2019/20 with Great Hollands pavilion and Birch Hill synthetic carpet being completed within the 2018/19 year.
13. **Grant Applications received for consideration in the 2019/20 budget**
Please find papers attached detailing Grant applications received for consideration.
14. **CIL Monies**
Please find attached a report showing monies received and allocated.
A request has been received from Councillor P Hill to install a path along the allotments at Ringmead so that residents do not need to walk across the car park to reach the Scout Hut. The cost for this work would be £2100.
Further requests received are :- Joining up gaps in cycleways (Priestwood), Mobile CCTB cameras to deal with ASB and other issues, desire line at Uffington Drive opposite Brook Green, Harmans Water, Path at Birch Hill Recreation Ground leading to the Birch Hill Pre-school.
Committee is requested to consider approving the path at Ringmead and investigating the costs of the other projects.
15. **Environment Wardens**
Further BARDO events have been scheduled for
Friday 9th at 7am at Birch Hill Recreation Ground
Monday 12th at 7am at Jocks Lane Park

Friday 23rd at 6am at Anneforde Place
Saturday 24th at 10am at Great Hollands
Monday 26th at 7am at South Hill Park

The Environment Wardens are also planning a new project for 2019. The funding has been agreed in principle by Get Berkshire Active (£3500). The project will run for 12 months and will involve Garth Hill College, Kennel Lane School, The Rise at GHC and young people at risk of offending. In addition, a number of young people from Wellington College will be acting as mentors for the students from Kennel Lane. The young people will be aged between 13 and 18 years. The project is being supported by the schools themselves, the Environment Agency, the local police and the borough rangers.

The project will be in three parts. All parts will take place one day a week on a Wednesday:

1. February – 6 weeks environment work such as constructing a nature trail at Braybrooke, habitat improvement work and Jocks Lane and coppicing.
2. April – 6 week fishing course which includes caring for the environment
3. The above are followed up with a monthly visit to the schools with various environment based topics.

This is in the early planning stages. The project will be carefully managed so that it does not impact adversely on the Environment Wardens day to day role but will support the educational strand of the Environment Wardens work and hopefully open up access to other local schools.

16. **Representatives to Outside Bodies.**
Please find attached an updated list of Representatives to Outside Bodies.
17. **South Hill Park Trust – An Update** will be given at the meeting

Next Meeting

29th January 2019 7.30 pm Council Chamber Brooke House.

Guidance on declaration of interests

Members are requested to declare any personal interests. Any Member with a Disclosable Pecuniary Interest in a matter should withdraw from the meeting when the matter is under consideration and should notify the Town Clerk that they are withdrawing as they have such an interest. If the Disclosable Pecuniary Interest is not entered on the register of Members interests the Monitoring Officer must be notified of the interest within 28 days. It is not practical to offer detailed advice during the meeting on whether or not a personal interest should be declared, or whether a personal interest should be regarded as a Disclosable Pecuniary Interest. Members are advised to seek the advice of the Clerk well before the meeting as it may be necessary to refer the matter the Monitoring Officer for a decision.

Substitutes:	Cllr: Michael Gibson
Co-Opted:	Cllr: Diana Henfrey.
Apologies:	Cllrs: Jennie McCracken, Malcolm Tullett, Sanjeev Prasad, Isabel Mattick
Absent:	Paul Bidwell, Marc Brunel-Walker
In Attendance:	Rachel Gordge (CA)

The meeting opened at 7.36pm and closed at 8.26pm

2350 Declarations of Interest

None

2351 Minutes

The minutes of the meeting held 12th June 2018 were agreed and accepted as a true record of the meeting and signed by Chairman.

2352 Matters arising out of the minutes

1704/1632 Bracknell Gymnastics Club 17/01091/FUL: The planning application is still pending.

2089 – Land Transfer: An update will be brought to the Strategy and Finance meeting on 13th November 2018.

2268 – Land Inventory: Rachel Gordge has now joined the BTC team in Brooke House as Clerical Assistant and therefore work on this can now begin.

2268 – Bus Stops: BTC currently does not have a budget for the installation of new Bus Shelters. Following research it was agreed that the cost of supplying two new bus shelters at Hanworth Road (near Brunswick) and Bagshot Road (going out of town) was cost prohibitive and not value for money in an area that is quite well provided for already. The Committees recommendation is that this matter is not progressed at this point in time. **AGREED**

2353 External auditors Report

The report for BTC has still not been received. **NOTED**

2354 Health and Safety

There have been a few wasp stings, a sprain and the recent assault is still being dealt with by the police. **NOTED**

2355 Budget Monitoring Working Group

An update was given by the Chairman of the Budget Monitoring Group. Appreciation was noted to Laura Boorman (FAO) who obtained BTC a refund of approximately £4000 from Castle Water. The Teddy Bears Picnic raised a profit of £210.27 and there were reports of well organised parking and good organisation. This profit will go into the Teddy Bears Picnic fund for 2019.

Cllr Gill Birch recommended following a suggestion from Councillor I McCracken that BTC should be advertising what work is taking place and what work has been completed on Social Media so that the public are aware of the work that has been done by the Council.

11th September 2018

It was clarified that due to the Mayors Charity account not accepting BACS payments, donations via BACS for the Mayor's Charity can be paid into BTC account and paid via cheque to the Mayor's Charity account for ease.

2356 Great Hollands Pavilion Working Group

An update was given by the Chairman of the Great Hollands Pavilion Working Group. The project is up to specification and currently within budget. The commercial opening has been pushed to 21st November but Francis Construction are hoping to bring this back to 14th November 2018, with a formal opening early 2019 with the splash pad being opened around Easter. Cllr Iain McCracken to invite Cemetery and Crematorium Manager to the next Pavilion meeting to discuss additional parking. It was agreed to put a non-date specific article in Bracknell Matters to encourage public interest. Cllr Iain McCracken suggested also speaking to Cllr Mary Temperton to get an article in Great Hollands Matters too.

2357 Community Events Working Group

An update was given on the progression of the WW1 Event. There will be fortnightly meetings to organise the Remembrance Event. There are 12 schools signed up for the competition and plans for the stalls, poems and assemblies are under way. Some marquee tents have been acquired for the event. Cllr Chris Turrell is working with the bus companies and would like to get posters on the side of the buses.

The roads around the event will not be closed but barriers will be used and the virtual reality experience will now be in a tent. It was suggested that this event could also be put in the press release.

2358 Carbon Footprint Working Group

An update was given about the Carbon Footprint Working Group. Renewable energy is to be assessed in 2020. The financial impact needs to be clear before this is agreed. The issue of new lights in the public toilets was discussed. The light colour needs to be considered as some colours help to discourage drug use. If lights are changed in the public toilets then it should be consistent in the new pavilion. The RFM is currently researching the cost of replacing all current lights with LED units.

The wording of the proposed motion from the Carbon Footprint Working Group was amended and this will be taken to Full Council for approval. The Motion was unanimously APPROVED by the Committee.

“BTC to consider switching to renewable energy once the current energy contracts are up for renewal in 2020 and 2021” AGREED

Cllr Chris Turrell advised that the Carbon Footprint Reduction Programme 2018-2028 is a working document and will be revised as updates are received.

2359 Budget 2019/20

Councillors were requested to contact the Town Clerk if they had any items they wished to be included in the budget discussions. The election costs for May 2019 are expected to exceed the amount budgeted for, additional monies are required to be ear marked within the 2019/20 budget. Thresfield play area path needs to be an all-weather path and the Town Clerk will lead the choice of which material is used for the path taking into consideration the water table and the area itself. AGREED

2361 Birch Hill Recreational Ground Astro Pitch

It is anticipated that the works on the new surface at the astro turf at Birch Hill Recreation Ground will be completed by 15th October. Officers have been working with all the clubs who use the site to try and avoid too many disruptions to the scheduled programme. Extra work was required when it was discovered the shock pad needed to be replaced. Due to savings elsewhere there will be no change to the bottom line of the 2018/19 budget.

Confidential Business

To move that in view of the confidential nature of the business to be transacted, that pursuant to Section 1(2) of the Public Bodies (Admission to Meetings) Act 1960, as applied by Section 100 of the Local Government Act 1972, Members of the Press and Public were excluded from the meeting.

2362 South Hill Park Trust

A report was presented by the SHP BTC Observer updating on current issues including finance, health and safety and building projects

There is no cure. With therapies, support and understanding we aim to help people remain as mobile and independent for as long as possible. Which is good for the person, their family, carers and reduces the pressure on an already stretched NHS. We offer physiotherapy, oxygen treatment, counselling, footcare and a range of holistic therapies. In 2017 Bracknell Town members numbered 80 with 16 of them having a total of 255 treatments here. We passionately believe that treatment should be offered on the basis of need rather than ability to pay. Therefore services are offered free of charge but donations are encouraged if people can afford to. We have no exit strategy and will see people for as long as they want to see us and need us. On the NHS for example physiotherapy is limited to a maximum of 6 sessions. The nature of MS means that therapies need to be regular and lifelong.

Sue Ryder Duchess of Kent Hospice	500.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00	The purpose of the grant is to enable Sue Ryder, and more specifically the Duchess of Kent Hospice in Reading to provide care for people facing frightening, life changing diagnosis. The Duchess of Kent Hospice is based over three sites. Duchess of Kent House in Reading, a 15 bed inpatient unit with day hospice services. Berkshire Palliative Care Hub, based in West Berkshire Community Hospital and Wokingham Day Hospice based at Wokingham Community Hospital. Our expert care team includes doctors, nurses, care assistants, physiotherapists, occupational and complementary therapists, social workers, bereavement support workers and volunteer befrienders. Wokingham Day Hospice is based at Wokingham Community Hospital and is an integral part of the community. We usually have around 100 patients that use the day hospice, this includes the patients the Community Nurse Specialists see as well. All of the patients that to Wokingham day hospice do so because they are local to it and it is easy to get to for them. The Hospice is open over 3 days and sees around 20 patients. It costs us £15,000 to provide the services and care we do in Berkshire. The grant received will be put towards continuing the highest level of care to not only those we support, but also their close friends and families.

We provide a blend of IT and internet support and access, coupled with a range of coaching, assessment, advice and training for job Seekers including: internet job searching, writing an effective CV, interviewing skills, using social media and a specific workshop and support for the 50+ age group. Job seekers from Bracknell Town represent some 5% of our client population, which is why we are seeking approx 5% of our operating budget from yourselves. Each client we support costs us approx £156. Although there is a job centre in Bracknell our organisation provides a very different service of personal support, assessment, coaching and building skills to enable Job Seekers to be more successful, which is why we still get some people coming to us from Bracknell.
