Notes on Declaration of Interest

Members are requested to declare any personal interests. Any Member with a Disclosable Pecuniary Interest in a matter should withdraw from the meeting when the matter is under consideration and should notify the Town Clerk that they are withdrawing as they have such an interest. If the Disclosable Pecuniary Interest is not entered on the register of Members interests the Monitoring Officer must be notified of the interest within 28 days. It is not practical to offer detailed advice during the meeting on whether or not a personal interest should be declared, or whether a personal interest should be regarded as a Disclosable Pecuniary Interest. Members are advised to seek the advice of the Clerk well before the meeting as it may be necessary to refer the matter to the Monitoring Officer for a decision.
