Section	Criteria	Explanation of criteria/evidence prompts	Local Green Space
	Who is the landowner?	Do they know this is designated Local Green Space, and do they agree to the designation?	Bracknell Forest Council/Thames Water etc see BTNP Designation Spreadsheet Appendix 3.
1	Is there any Planning Permission on site?	Rarely appropriate to designate where this exists. Exceptions: where green space would be compatible with development, or where planning permission could not be implemented.	(part leased to Bracknell Town Council). Landowner is aware of the proposed Local Green Space designation, and in agreement with it.
2	Allocated or proposed for	Not appropriate to designate if an allocated site. Designation of Local	No

	development in the Local or Neighbourhood Plan?	Green Spaces should be consistent with local planning of sustainable development. Space should be capable of enduring beyond the plan period.	BFBC POSS study 2016 POSS Open space type: 125 both active and passive; 126.1 both active and passive POSS Typologies: 125: A Parks and Gardens, D Children and People (Children's Play), K Drainage/SUDS/Ponds; 126.1: A Parks and Gardens, D Children and People (Children's Play)
3	Must not be an extensive tract of land, must be local in character	Should be fairly contained with clearly defined edges. Why does the space "feel" local in respect of the community it serves? Is it larger than other areas of land in the vicinity? How does it connect physically, visually and socially to the local area? Blanket designation of open countryside next to settlements is not appropriate	Parish Online Total Area 23.116ha. POSS Total Area: 18.08ha (9ha + 9.08ha) Land Registry Title Number: see BTNP Designation Spreadsheet Appendix 3 Land Registry Title Address: " Land Registry Total Area: " Bordered by housing and highways, with open boundaries. These give extensive views across the space. Also from within space, extensive views and some vistas across the space.
4	Close to community it serves?	Normally within easy walking distance of the local community.	Adjacent to housing, school, community centre, scouts and guides (on W side). Arts centre within green space. Numerous points of access from Birch Hill (5 minutes' walk), Hanworth (2 minutes' walk), Eastchamstead (2 minutes' walk), North Lake housing (adjacent).
5	Demonstrably special to local community?	Blanket designation of green areas within a community not appropriate.	Well-known and highly regarded historic park and garden
5a	Of particular significance because of its beauty?	Visually attractive, contributes to townscape, landscape, character or setting of the settlement. How is space significant in respect of its beauty?	Large mown grassed areas, lakes and water features, specimen trees and park planting, woodland, formal gardens near mansion.
5b	Of particular historical significance?	Historic buildings or structures in the space? Listed buildings or scheduled monuments on site? Important landscape features, eg trees or hedgerows? Historical literature or art connection? Historic events on site?	South Hill Park mansion, built C18, remodelled by Temple Moore 1890s. Residence of George Canning, prime minister 1827-30. Arts centre since 1973 Registered park and garden with specimen trees, woodland, parkland. Formal gardens and fountain. Sculptures.
5c	Of local significance due to recreational value?	What recreational activities does the space support? No need to designate linear corridors to protect rights of way – these are covered by other legislation.	Outdoor events and productions for South Hill Park arts centre; walking; fishing; visiting fairs and events; informal play; three play areas on site
5d	Of local significance because of its tranquility?	An oasis of calm in a busy town? A place for quiet reflection?	Quiet walks on paths through woodland and park. Seats.

5e	Of local significance because of richness of wildlife?	Formally designated for wildlife value, eg SSSI ? Any important habitats or species found there? Flora or fauna protected under the Wildlife and Countryside Act 1981 ; Countryside and Rights of Way Act 2000; Habitat Regulations 2010; Bracknell Forest Biodiversity Action Plan? Birds listed on Red, Amber or Green lists of Conservation Concern?	Mature specimen parkland trees. Swans and wildlife use lake. Other wildlife and bird habitats especially in woodland. Registered park and garden. Some ancient woodland. Southernmost tip of site within 400m of Thames Basin Heaths SPA Restored 2012 with Heritage Lottery Fund grant. Relevant BFBLP January 2002 policies: EN12 Historic Parks and Gardens, EN14 River Corridors NB different policy references from nP EV12...
5f	Any other reasons for local significance?		Map 3 Bracknell and Winkfield South, SALP 2013

Section	Criteria	Explanation of criteria/evidence prompts	Local Green Space
	Who is the landowner?	Do they know this is designated Local Green Space, and do they agree to the designation?	Bracknell Forest Council.
1	Is there any Planning Permission on site?	Rarely appropriate to designate where this exists. Exceptions: where green space would be compatible with development, or where planning permission could not be implemented.	No, but site contained within site BRA2 of SHELAA sites, area 22.79ha for emerging Bracknell Forest Local Plan
2	Allocated or proposed for development in the Local or Neighbourhood Plan?	Not appropriate to designate if an allocated site. Designation of Local Green Spaces should be consistent with local planning of sustainable development. Space should be capable of enduring beyond the plan period.	No, but site is in BFC Strategic Housing and Economic Land Availability Assessment, November 2016. Initial assessment indicated only buildings on the site, not the parkland, would be subject to development. Landowner is aware of the proposed Local Green Space designation, agreement tbc. BFBC POSS study 2016 POSS Open space type: 43.1 passive; 43.2 passive POSS Typologies: 43.1 B Natural and Semi-natural (includes urban woodlands), A Parks and Gardens; 43.2 1 B Natural and Semi-natural (includes urban woodlands), A Parks and Gardens
3	Must not be an extensive tract of land, must be local in character	Should be fairly contained with clearly defined edges. Why does the space "feel" local in respect of the community it serves? Is it larger than other areas of land in the vicinity? How does it connect physically, visually and socially to the local area? Blanket designation of open countryside next to settlements is not appropriate	Parish Online Total Area 23.030ha. POSS Total Area: 22.84ha. (14.68ha + 8.16ha) Land Registry Title Number: See NP Designation Spreadsheet Land Registry Title Address: " Land Registry Total Area: " Connects to Jennett's Park and Great Hollands (see 4 below)
4	Close to community it serves?	Normally within easy walking distance of the local community.	Adjacent to Peacock Meadows, all within 2-10 minutes' walking distance of Jennett's Park and Great Hollands. Links to footpaths to WV.
5	Demonstrably special to local community?	Blanket designation of green areas within a community not appropriate.	Distinctive historic parkland feature
5a	Of particular significance because of its beauty?	Visually attractive, contributes to townscape, landscape, character or setting of the settlement. How is space significant in respect of its beauty?	Avenue of trees with generous verges. Parkland and formal garden to S of mansion, including site of original manor house. Ha-ha boundary and pond with golf course to S.
5b	Of particular historical significance?	Historic buildings or structures in the space? Listed buildings or scheduled monuments on site? Important landscape features, eg trees or hedgerows? Historical literature or art connection? Historic events on site?	Historic entrance to Eastchamstead Park. Manor was owned by Henry VII, and granted to his eldest son, Arthur Prince of Wales. Catherine of Aragon lived here after her divorce from Henry VIII. Manor granted to William Trumbull in C17. Present mansion built by Marquess of Downshire in 1868 to N of original manor house site, and avenue

				created.
5c	Of local significance due to recreational value?	What recreational activities does the space support? No need to designate linear corridors to protect rights of way – these are covered by other legislation.	Walking. Ramblers Route crosses N part of site	
5d	Of local significance because of its tranquillity?	An oasis of calm in a busy town? A place for quiet reflection?	Tranquil, but vehicular traffic to house	
5e	Of local significance because of richness of wildlife?	Formally designated for wildlife value, eg SSSI? Any important habitats or species found there? Flora or fauna protected under the Wildlife and Countryside Act 1981; Countryside and Rights of Way Act 2000; Habitat Regulations 2010; Bracknell Forest Biodiversity Action Plan? Birds listed on Red, Amber or Green lists of Conservation Concern?	Bluebells in woods. Other undisturbed habitat.	
5f	Any other reasons for local significance?		An area for more informal leisure, surrounded by more formal leisure (Downshire Golf Complex), school, and potential building land. Relevant BFBLP January 2002 policies: EN8 Development on land outside settlements H5 new dwellings outside settlements Bracknell Forest Council Policies Map 3 Bracknell and Winkfield South, SALP 2013

Section	Criteria	Explanation of criteria/evidence prompts	Local Green Space
	Who is the landowner?	Do they know this is designated Local Green Space, and do they agree to the designation?	Bracknell Forest Council/ Thames Water. Leased to Bracknell Town Council. Landowner is aware of the proposed Local Green Space designation, and in agreement with it. See BTNP Designation Spreadsheet Appendix 3.
1	Is there any Planning Permission on site?	Rarely appropriate to designate where this exists. Exceptions: where green space would be compatible with development, or where planning permission could not be implemented.	No
2	Allocated or proposed for development in the Local or Neighbourhood Plan?	Not appropriate to designate if an allocated site. Designation of Local Green Spaces should be consistent with local planning of sustainable development. Space should be capable of enduring beyond the plan period.	No. BFBC POSS study 2016 POSS Open space type: 39 passive, 152 active, 290 passive, 89 active. POSS Typologies: 39: B Natural and semi-natural (includes urban woodlands), 152: E Outdoor sports facilities, 290: K Drainage/SUDS/ponds, 89: D Children and people (children's play), K Drainage/SUDS/ponds, B Natural and semi-natural (includes urban woodlands).
3	Must not be an extensive tract of land, must be local in character	Should be fairly contained with clearly defined edges. Why does the space "feel" local in respect of the community it serves? Is it larger than other areas of land in the vicinity? How does it connect physically, visually and socially to the local area? Blanket designation of open countryside next to settlements is not appropriate	Parish Online Total Area 15.286ha. POSS Total Area: 15.90ha (0.40ha + 5.43ha + 3.87ha + 6.20ha) Land Registry Title Number: See BTNP Designation Spreadsheet Appendix 3. Land Registry Title Address: " Land Registry Total Area: " Access by road and footpath to playing fields and park
4	Close to community it serves?	Normally within easy walking distance of the local community.	Within closest walking distance of Wildridings (2 minutes' walk), and Great Hollands (5 minutes' walk), but also visited by people from other parts of Bracknell Town
5	Demonstrably special to local community?	Blanket designation of green areas within a community not appropriate.	Park is particularly well used, with play areas a focal point. Walks round the pond, and fishing in it.
5a	Of particular significance because of its beauty?	Visually attractive, contributes to townscape, landscape, character or setting of the settlement. How is space significant in respect of its beauty?	Pond and woodland form attractive main features, providing a welcome focal point and contrast.
5b	Of particular historical significance?	Historic buildings or structures in the space? Listed buildings or scheduled monuments on site? Important landscape features, eg trees	Pond and woodland are attractive features. Trees.

		or hedgerows? Historical literature or art connection? Historic events on site?	
5c	Of local significance due to recreational value?	What recreational activities does the space support? No need to designate linear corridors to protect rights of way – these are covered by other legislation.	Extensive play areas for all ages incorporated in Olympic legacy park. Skateboard area, café. Fishing in pond. Team sports. mainly football, on playing field, which is also used for summer events.
5d	Of local significance because of its tranquillity?	An oasis of calm in a busy town? A place for quiet reflection?	Walks around pond and through park. Areas of tranquillity within site, mainly around park and in woodland.
5e	Of local significance because of richness of wildlife?	Formally designated for wildlife value, eg SSSI? Any important habitats or species found there? Flora or fauna protected under the Wildlife and Countryside Act 1981; Countryside and Rights of Way Act 2000; Habitat Regulations 2010; Bracknell Forest Biodiversity Action Plan? Birds listed on Red, Amber or Green lists of Conservation Concern?	Wildlife habitats in woodland. Fish and bird habitats in pond. Environment Agency Flood Zone 3 in S portion of space. Local 400 year old wood (Northerams Woods) to W of whole space.
5f	Any other reasons for local significance?		See Bracknell Town's Watercourses and River Corridors Policy EV10 Map in this Neighbourhood Plan.

Section	Criteria	Explanation of criteria/evidence prompts	Local Green Space
	Who is the landowner?	Do they know this is designated Local Green Space, and do they agree to the designation?	Bracknell Forest Council own Harmans Water Playing Fields, and they are leased to Bracknell Town Council. Ownership of The Parks fields is due to transfer in 2016 to Bracknell Forest Council from the developers, Taylor Wimpey. Landowners are aware of the proposed Local Green Space designation: agreement tbc. See BTNP Designation Spreadsheet Appendix 3.
1	Is there any Planning Permission on site?	Rarely appropriate to designate where this exists. Exceptions: where green space would be compatible with development, or where planning permission could not be implemented.	No
2	Allocated or proposed for development in the Local or Neighbourhood Plan?	Not appropriate to designate if an allocated site. Designation of Local Green Spaces should be consistent with local planning of sustainable development. Space should be capable of enduring beyond the plan period.	No BFBC POSS study 2016 POSS Open space type: 63 active, 161 active and passive. POSS Typologies: 63: E Outdoor sports facilities, D Children and

			people (children's play), B Natural and semi-natural (includes urban woodland); 161: B Natural and semi-natural (includes urban woodland), E Outdoor sports facilities, D Children and people (children's play).
3	Must not be an extensive tract of land, must be local in character	Should be fairly contained with clearly defined edges. Why does the space "feel" local in respect of the community it serves? Is it larger than other areas of land in the vicinity? How does it connect physically, visually and socially to the local area? Blanket designation of open countryside next to settlements is not appropriate	Parish Online Total Area 22.501ha. POSS Total Area: 22.66ha (3.30ha + 19.36ha) Land Registry Title Number: See BTNP Designation Spreadsheet Appendix 3. Land Registry Title Address: " Land Registry Total Area: " The whole area connects to Harmans Water and The Parks. Connections within the area are forming, as the old MOD fencing between The Parks and Harmans Water Playing Field is removed, and new accesses are created.
4	Close to community it serves?	Normally within easy walking distance of the local community.	In the middle of The Parks, and within walking distance of Harmans Water
5	Demonstrably special to local community?	Blanket designation of green areas within a community not appropriate.	There are play areas near Harmans Water Road/Nightingale Crescent, Typhoon Close and Provost Lea. Football is played on Harmans Water Playing Fields. Sports pitches will be available at The Parks. The Parks Community Centre, with adjacent multi-use games area, adjoins the space. Events take place on The Parks field, and occasionally at Harmans Water Playing Fields. There are walks round the balancing pond at The Parks.
5a	Of particular significance because of its beauty?	Visually attractive, contributes to townscape, landscape, character or setting of the settlement. How is space significant in respect of its beauty?	These are well-kept areas of greenspace with extensive grassed areas and mature trees. It is a defining part of the character of the wider area of Harmans Water and The Parks. There are a number of vistas across the site, which are an important part of this character.
5b	Of particular historical significance?	Historic buildings or structures in the space? Listed buildings or scheduled monuments on site? Important landscape features, eg trees or hedgerows? Historical literature or art connection? Historic events on site?	The Parks was the RAF Staff College from World War II until 1996, then briefly the Combined Services Staff and Command College until its move to Shrivenham in 2001. A garden near the site of Ramslade House, the mess building, commemorates this, as do the names of streets in The Parks.
5c	Of local significance due to recreational value?	What recreational activities does the space support? No need to designate linear corridors to protect rights of way – these are covered by other legislation.	The space supports walking, running, team games, and children's play. The space has high recreational value.

5d	Of local significance because of its tranquillity?	An oasis of calm in a busy town? A place for quiet reflection?	The space offers a great variety of tranquil areas.
5e	Of local significance because of richness of wildlife?	Formally designated for wildlife value, eg SSSI? Any important habitats or species found there? Flora or fauna protected under the Wildlife and Countryside Act 1981; Countryside and Rights of Way Act 2000; Habitat Regulations 2010; Bracknell Forest Biodiversity Action Plan? Birds listed on Red, Amber or Green lists of Conservation Concern?	Trees have TPOs (this is on privately owned land), and woodland provides a range of habitats.
5f	Any other reasons for local significance?

Section	Criteria	Explanation of criteria/evidence prompts	Local Green Space
	Who is the landowner?	Do they know this is designated Local Green Space, and do they agree to the designation?	Bracknell Forest Council/Thames Water. Leased to Bracknell Town Council. Landowner is aware of the proposed Local Green Space designation, and in agreement with it. See BTNP Designation Spreadsheet Appendix 3.
1	Is there any Planning Permission on site?	Rarely appropriate to designate where this exists. Exceptions: where green space would be compatible with development, or where planning permission could not be implemented.	No
2	Allocated or proposed for development in the Local or Neighbourhood Plan?	Not appropriate to designate if an allocated site. Designation of Local Green Spaces should be consistent with local planning of sustainable development. Space should be capable of enduring beyond the plan period.	No
			BFBC POSS study 2016 POSS Open space type: 26 active, 5 passive. POSS Typologies: 26: E Outdoor sports facilities, D Children and people (children's play); 5: K Drainage/SUDS/ponds, B Natural and semi-natural (includes urban woodlands).

3	Must not be an extensive tract of land, must be local in character	Should be fairly contained with clearly defined edges. Why does the space "feel" local in respect of the community it serves? Is it larger than other areas of land in the vicinity? How does it connect physically, visually and socially to the local area? Blanket designation of open countryside next to settlements is not appropriate	Parish Online Total Area 3.990ha. POSS Total Area: 5.22ha (3.24ha + 1.98ha) Land Registry Title Number: See NP Designation Spreadsheet Land Registry Title Address: " Land Registry Total Area: " Space includes playing fields and Allsmoor Pond. It is readily accessible from Harmans Water, Bullbrook, Martin's Heron and The Warren via footpaths and cycleways. It is adjacent to Allsmoor Lane, The Wayz youth clubs, and the woodland corridor to Lily Hill Park
4	Close to community it serves?	Normally within easy walking distance of the local community.	Within 1-10 minutes' walking distance of Harmans Water, Bullbrook, Martin's Heron and The Warren.
5	Demonstrably special to local community?	Blanket designation of green areas within a community not appropriate.	Attractive playing field and pond connected to woods extending north to Lily Hill Park.
5a	Of particular significance because of its beauty?	Visually attractive, contributes to townscape, landscape, character or setting of the settlement. How is space significant in respect of its beauty?	The area round Allsmoor Pond is attractive, and the space is bordered by mature trees along the railway line and Calfridus Way. There are vistas across the site to and from the pond.
5b	Of particular historical significance?	Historic buildings or structures in the space? Listed buildings or scheduled monuments on site? Important landscape features, eg trees or hedgerows? Historical literature or art connection? Historic events on site?	Trees. Woodland.
5c	Of local significance due to recreational value?	What recreational activities does the space support? No need to designate linear corridors to protect rights of way – these are covered by other legislation.	The space supports walking, running, fishing, children's play youth activities. Football is played on the pitches, and summer events take place on the grassed area.
5d	Of local significance because of its tranquillity?	An oasis of calm in a busy town? A place for quiet reflection?	The space offers tranquil areas, particularly round Allsmoor Pond.
5e	Of local significance because of richness of wildlife?	Formally designated for wildlife value, eg SSSI? Any important habitats or species found there? Flora or fauna protected under the Wildlife and Countryside Act 1981; Countryside and Rights of Way Act 2000; Habitat Regulations 2010; Bracknell Forest Biodiversity Action Plan? Birds listed on Red, Amber or Green lists of Conservation Concern?	There are several types of habitat in the woodland in the space. Environment Agency Flood Zone 3 across most of site from SE to NW
5f	Any other reasons for local significance?

Policy EV8 - Allotments

**Policy EV8 - Allotments
(Anneforde Place)**

The map displays a residential area with a central blue-shaded region labeled 'Allotment Gardens'. This area is bounded by a blue line representing the 'Allotment Extent'. The surrounding area is outlined by a white line representing the 'Bracknell Town Boundary'. Key streets shown include Elen Place, Manor Close, Benning's Close, and Anneforde Place. Other features include 'The Cut', a 'Path', and a 'Drain'. A scale bar at the bottom right indicates distances from 0 to 50 metres, and a North arrow is located next to it. A legend at the bottom right identifies the blue area as 'Allotment Extent' and the white outline as 'Bracknell Town Boundary'.

The halls and meeting rooms but not the stores, offices, bars, kitchens or other ancillary spaces

BTNP Appendix 7

BFC HBrewster SHPBK25698212Feb2018 Memo

Dear Councillor Henfrey

As discussed this morning, I set out a note which explains the landownership:

Freehold Title BK256982

The land is owned with freehold title absolute by Bracknell Forest Borough Council and is entitled "South Hill Park".

The land was transferred to Bracknell Forest Borough Council by the Commission for the New Towns under a Transfer 16th June 1987 and made between Commission for the New Towns (1) and Bracknell District Council (2) which was made pursuant to an Agreement of Community Related Assets dated 25th April 1983.

There is a restriction against the title that no disposition is to be registered by Bracknell Forest Borough Council without the consent of the Commission for the New Towns – now the Homes & Communities Agency.

Furthermore under the terms of the Transfer dated 16th June 1987 and made between the Commission for the New Towns and Bracknell District Council, there are clawback provisions which means that if a "qualifying event" as described in the document arises, then clawback can be activated and a payment may be due from the Council to the Homes & Communities Agency.

The user covenant which must be complied with against the freehold which is cited in the Transfer of Community Related Assets is "Premises used solely as an Arts Centre, including in particular

- a. facilities for education in the dramatic musical visual arts and crafts
- b. facilities for the performance of such arts and crafts
- c. studios exhibition halls and rehearsal rooms for the carrying on of such activities
- d. a theatre for the performance of plays concerts opera ballet musicals and reviews and workshops rehearsal rooms and such other facilities as may be closely ancillary thereto.

Qualifying events include:-

- (i) An actual change of use of the land to a use other than that for which it is currently used.
- (ii) Any disposal of the land and building to another person, which would include the grant of any interest or licence over the land or variation thereto and which would permit a use other than that specified above.

There are certain exclusions, e.g. a lease or licence without a premium for the existing use.

The clawback will result in a payment from Bracknell Forest Borough Council to the Homes & Communities Agency. I can let you have further details if you wish; this sum reduces each year from 1983 by 2%,

The freehold title owned by the Council does not include the top half of the pond. This must be because the original entire land holding would have been owned by Bracknell Development Corporation who would have transferred part of it to the Council as noted above under the Transfer of Community Assets; the part comprising the pond would have been transferred to Thames Water Utilities Limited, possibly at the same time. [This area has now been demised to Bracknell Forest Borough Council under the Headlease of the balancing pond

This is subject to and with the benefit of the existing Headlease and in turn Underlease, so the top part of the pond also falls within the Underlease to South Hill Park.]

2. Lease dated 31st March 1974 and made between Bracknell Development Corporation (1) the Council for the Rural District of Easthampstead Bracknell Development Corporation the Council of the Parish of Bracknell (2)

The parties to this Headlease of the Arts Centre are now therefore Bracknell Forest Borough Council as freeholder, and Bracknell Forest Borough Council together with the Town Council as Tenant. The Headlease is dated 31st March 1974 for a 99 year term. This Headlease is almost identical to the Underlease to the South Hill Park Trust Limited which I will deal with below. However, there are some differences which I will detail here:-

(a) At clause 2(xxv) of this Headlease, the Tenant holds the property upon trust to sell it, with power to postpone the sale and to hold the net rents and profits until sale, and the net profits of sale are to be divided as 40% to Easthampstead Council – now Bracknell Forest Borough Council – 40% to Bracknell Development Corporation – now also Bracknell Forest Borough Council – and 20% to the Parish Council – now the Town Council. The Council would take 80% of the proceeds of sale and the Town Council 20%. The parties are expressly stated to have the power to mortgage, charge, underlet or otherwise dispose of all or any part of these Properties with all the powers of Absolute Owners; all covenants on the part of the Tenant are construed as joint and several liability, but all liabilities should be split equally between the Tenant as to 80% / 20%.

(b) There is a covenant that as soon as this Lease is granted an Underlease will be granted to South Hill Park Trust in the format attached with the same term less the last 10 days.

(c) It is also expressly stated that if either:

(i) the property is not used for the permitted use or

- (ii) South Hill Park Trust enters into liquidation (whether compulsory or voluntary), or
- (iii) if the Underlease to South Hill Park Trust is determined

then the Tenant shall pay an annual rent for the rest of the term at which the Property might reasonably be expected to be let in the open market by a willing Landlord to a willing Tenant on a Lease for the rest of the term, with vacant possession on the same terms as the existing lease (except for the covenant to grant an Underlease to South Hill Park Trust Limited) and as if all the repairing covenants have been complied with. If the rent can't be agreed upon within a month then the rent must be referred to a single arbitrator to decide. The same would happen if the Arts Centre was closed.

In all other respects, the Lease very closely follows the Underlease between the Tenant of the Headlease (i.e. the Council and Town Council) and South Hill Park Trust Limited.....

If you need anything else , do let me k now

Regards Helen Brewster.

BTNP Appendix 8 Scheduled Monuments in Bracknell Town, Two Bronze Age Bowl Barrows.

“The most obvious remains of the Bronze Age are the numerous bell or bowl shaped burial mounds”... “over 100 are scattered over the Berkshire downs” .. “and more have been located on the sandy heaths of south-east Berkshire”... “smaller barrows survive in Berkshire at Bill Hill in the centre of Bracknell and in the grounds of Heatherwood Hospital in Ascot” ... “excavation of the Heatherwood barrow.”.. “formerly one of a group of four”... “dated it to c. 1800 BC.”

Berkshire: A County History by Daphne Phillips
Countryside Books 1993
ISBN 1-85306-246-4 p 12

This page left intentionally blank....

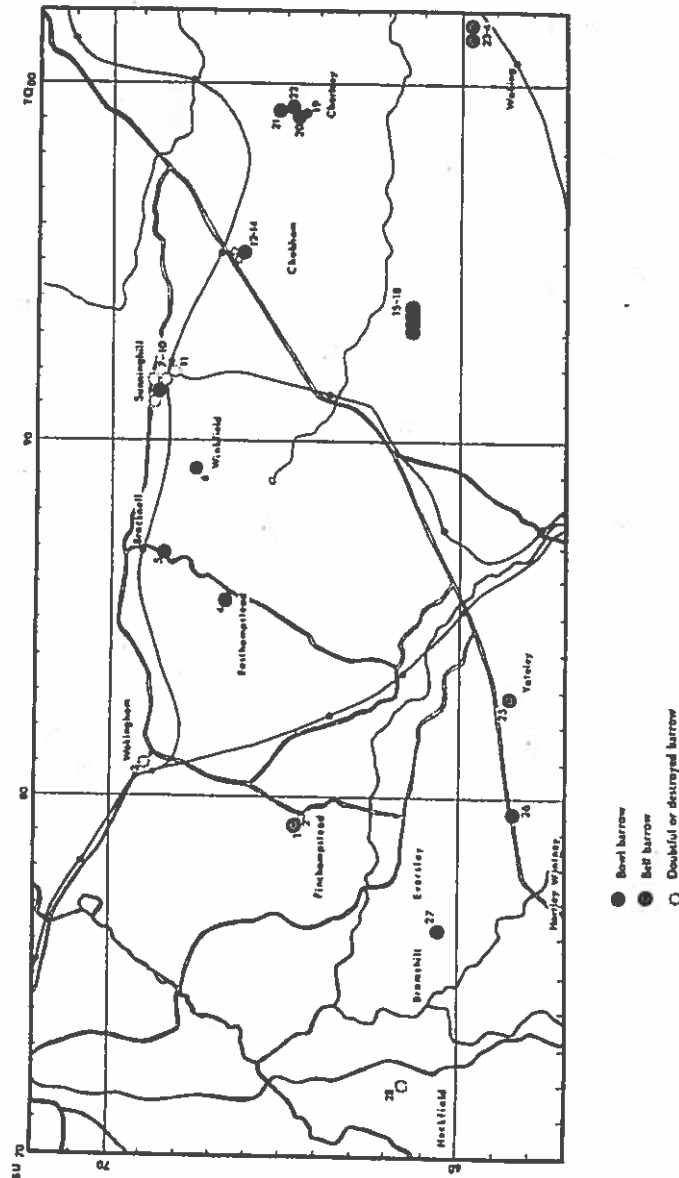

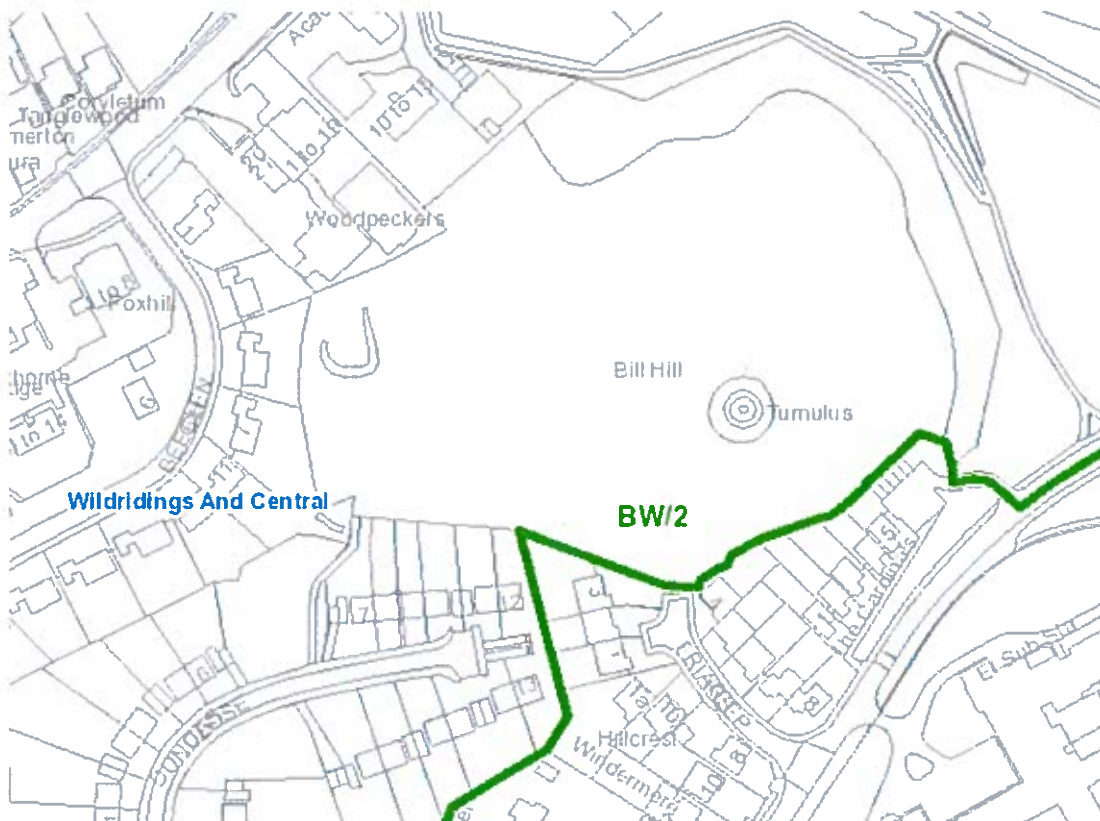

Fig. 1. Map of existing, doubtful and destroyed barrows around the Berkshire-Surrey-Hampshire boundary. The numbers refer to those in the text. Superimposed on 10 kilometre squares of the National Grid.

Easthampstead

Pre-history

The Bowl barrow on the S.E. Tip of Bill Hill was opened some time ago, and it is said that the bones within were re-buried in a nearby church, but these cannot be traced today. The shallow ditch that runs the length of Bill Hill is thought to be an ancient boundary marking. Another Bowl Barrow lies S.W. Of Wooden Hill. The largest of these types of memorial mounds has been recently identified just outside the parish, at Swinley Park. (H.P. Copsey. Berks. Arch. Journal vol. 61). These barrows, on excavation, usually reveal bones and artefacts such as flint arrowheads and drinking cups or beakers.

The Pish (Parish) of Warfield & Easthampstead by Eileen Shorland 1967.

Map courtesy of Bracknell Forest Council

BRACKNELL Bill Hill SU 868684

Bracklesham Beds

On the southeast tip of the hill is a scheduled bowl barrow with traces of the ditch about 8ft wide and 6 in. deep. The mound is 4ft. high and has a diameter of 45ft. The top is completely dug out."

Berkshire Archeological Journal vol 61 1963 p22 article by H.W. Copsey

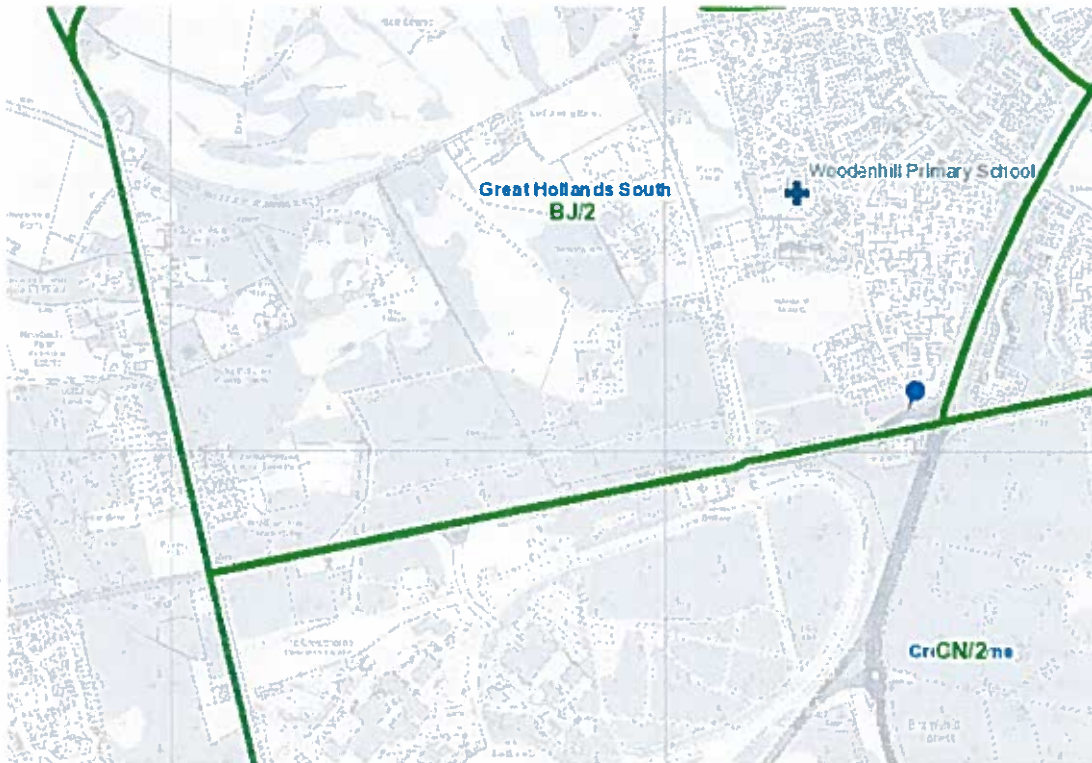

EASTHAMPSTEAD SU 855666

Bagshot Beds

South west of Wooden Hill, and marked on the 6" o.S. Map as a ditched mound (Berks 47 N.W.) but on the 2 ½ " map (sheet SU 86) as a pit, is a well preserved bowl barrow with the mound 60ft. in diameter and 7ft. High. The ditch is 18ft wide and 3 ft. deep.

The northern side has been partially levelled by farming and the remainder of the barrow is in woodland. The top of the mound may have been dug into.

Berkshire Archeological Journal vol 61 1963 p22 article by H.W. Copsey

2016 Historic England Descriptions

Bowl barrow on Bill Hill

National Grid Reference: SU 86839 68383

List entry Number: 1012921

Details

The monument includes a bowl barrow situated on top of Bill Hill, a steep- sided hill with extensive views in all directions. The mound survives to a height of 1.5m and has a maximum diameter of 25m. It is surrounded by a ditch, from which mound material was quarried. This has been largely infilled over the years but survives to a width of 5m and a depth of 0.2m. A pronounced depression on the top of the barrow mound may indicate an early exploration of the site.

[Note for Information:]

MAP EXTRACT The site of the monument is shown on the attached map extract. It includes a 2 metre boundary around the archaeological features, considered to be essential for the monument's support and preservation.

Bowl Barrow at Woodenhill, Bracknell

National Grid Reference: SU 85491 66557

List entry Number: 1007929

Details

The monument consists of a large ditched bowl barrow situated at the top of a gentle north facing slope. The mound has an overall diameter of 26.6m and stands to a maximum height of 2m. The perimeter of the mound has been reduced by cultivation around its northern quarter so that today the barrow is ovoid in shape, with the longer axis orientated east to west. Surrounding the mound is a ditch 5m wide, from which material was quarried during the construction of the mound. This has become partly infilled over the years but survives as a low earthwork 0.7m deep around the north-east and south-east sectors of the barrow and as a buried feature elsewhere.

Bracknell Town Neighbourhood Plan: Meetings & Consultations Map

Dear Resident

Welcome

to the Bracknell Town Neighbourhood Plan

What is it?

- A planning document for Bracknell Town's future
- We're 1 of the 1800 towns and parishes working on their "designated" plans
- The plan runs to 2036 but will be reviewed every 5 years to ensure it's still relevant
- It will help protect Bracknell's distinctive character and green spaces
- Residents must be consulted & robust evidence must support its planning policies
- Your views as incorporated in the "adopted" plan will have to be taken into consideration by the local planning authority, Bracknell Forest Council, when determining planning applications

What must the Plan do?

- Follow National Planning Policy
- Be in "general conformity" with Bracknell Forest Council's Core Strategy 2008, Site Allocations Local Plan 2013 and emerging comprehensive Local Plan
- It can't, in itself, make things happen. Although a policy may be incorporated in the document, it doesn't mean that it will automatically be followed as decisions will be made on a case by case basis
- Some of your suggestions are beyond its scope but we're including them as community projects
- The plan must pass an "independent examination" prior to "referendum"
- Every Bracknell Town resident registered on the electoral roll can then vote in this

If you would like me to come and talk to your group or organisation about the work so far, please contact me: chris.turrell@bracknelltowncouncil.gov.uk

Chris Turrell

Cllr Chris Turrell

Chairman, Neighbourhood Plan Steering Group

<https://bracknelltowncouncil.gov.uk/bracknell/bracknell-town-neighbourhood-plan/>

Appendix 13 BFC Cycle Network Improvements BTC 13 Nov 2018 S & F

Proposed by BFC in Bracknell Town (Parish) area, (BT). 1 location links to Warfield (W)

Location	Ref (m)	Comments
South Road (TRL to EPC)	15	1200 Connects TRL to leisure facilities at Gt Hollands Rec and to Easthampstead Park school.
Stoney Road	16	80 Connects existing cycle network in Priestwood to route into town centre via toucan crossing on Wokingham Road. Land ownership needs investigating, will consist mainly of improvements at junctions and removal of vegetation.
Wildridings Road (link adjacent - to existing footway cycleway)	41	15 Very short length (10m) of missing link to connect two existing paths adjacent to junction of Crowthorne Rd and Wildridings Rd. Levels differences, will require gentle gradient
Nine Mile Ride (TRL to Pinewood roundabout)	9	250 Provides a missing link between existing paths in Bracknell Forest and Wokingham Borough, mainly consisting of 250m of new safety edging and signage.
Ringmead - Woodenhill to Vandyke	12	750 Provides a link to Easthampstead Park School - requires widening of existing footway plus approx 100m of new shared surface. Also look to take route from Woodenhill to Crowthorne Rd underpass on north side.
Kennel Lane - Bull Lane	6	 Likely to consist of signing existing paths plus some dropped crossings. Needs further investigation.
Nine Mile Ride Footpath (TRL to Coral Reef)	8	 Leisure path which links new TRL development to Coral Reef, The Look Out and Sainsbury. Exploring legal option for converting footpath - likely to require localised widening in places.
Ringmead - Quintillis to Coral Reef	11	1730 Links Hanworth to Easthampstead Park School. Links new TRL development to Coral Reef, The Look Out and Sainsbury and via lit, paved alternative to leisure route. Will require pavement widening and some issues with trees and street furniture to resolve.
Lily Hill Road	7	 Links existing cyclepaths. Needs investigating.
Sandy Lane	13	370 Provides access to Primary and Secondary schools. Needs investigating.
Shepherds Lane	14	 Provides links to Primary and Secondary schools & connects to cycle network serving Town Centre. Needs investigating.
Warfield Rd / Folders Lane in BT & W	18	 Connects proposed housing developments to the north with Primary and Secondary schools and links to existing network serving the Town Centre. Folders Lane very narrow, unsure what can be achieved. Needs further investigation.
Market Street (Skimped Hill Lane to Rail station)	42	360 Provides link to rail station from business areas to the west of the town centre.
Peacock Lane (Jennett's Park) to Waterloo Road and Wokingham S. Dist Road	43	 Narrow at Time Square otherwise options to widen as part of new developments. Provides link into Bracknell Forest from Wokingham. Could consist of on-carriageway cyclelane. Needs further investigation.

14BTNPGLOSSARY

Bracknell Town

Neighbourhood Plan

2016 – 2036

Glossary

Backland - land behind an area which is built on or otherwise developed.

Conservation (for heritage policy): The process of maintaining and managing change to a heritage asset in a way that sustains and, where appropriate, enhances its significance.

Designated heritage asset: A World Heritage Site, Scheduled Monument, Listed Building, Protected Wreck Site, Registered Park and Garden, Registered Battlefield or Conservation Area designated under the relevant legislation

Green infrastructure an organising framework for integrating physical resources and natural systems with ecological, geological and historical assets. In urban development, it is central in considering the needs and opportunities for protecting, enhancing and extending green areas.

Green infrastructure, the NPPF definition, is a network of multi-functional green space, urban and rural, which is capable of delivering a wide range of environmental and quality of life benefits for local communities.

Green Infrastructure is a network of multi-functional green space, urban and rural, which is capable of delivering a wide range of environmental and quality of life benefits for local communities.

Green infrastructure can also include streams, canals and other water bodies and features such as green roofs and walls

Heritage asset: A building, monument, site, place, area or landscape identified as having a degree of significance meriting consideration in planning decisions, because of its heritage interest. It includes designated heritage assets and assets identified by the local planning authority (including local listing).

Infill – building on undeveloped, single plots of land for residential purposes which closes existing small gaps in an otherwise built up frontage.

Micro-enterprise (or microenterprise) is generally defined as a small business employing nine people or fewer, and having a balance sheet or turnover less than a certain amount

(e.g. 2,000,000 euros). The terms microenterprise and microbusiness have the same meaning.

NPPF National Planning Policy Framework

NPIERS (Neighbourhood Planning Independent Examiner Referral Service) The Service, which is managed and administered by RICS, provides cost-efficient, quick and easy access to impartial and highly qualified Examiners on an “as needed” basis. You are able to apply to NPIERS for a pre-submission Health Check review of the neighbourhood plan, or for the referral of Examiners who are able to undertake the Examination of the neighbourhood plan.

Public realm includes all exterior places, linkages and built form elements that are physically and/or visually accessible regardless of ownership. ...

Park “First the trees must be mature, second, they must be randomly planted, third there must be undulations in the ground, fourth is the question of scale, the park must be large enough so you cannot see all of it at once and not every boundary must be visible from one point, fifth, there must be a gate, or gates. Wall and/or railings are even better- the boundary is defined. There must be one or several portals.”

Parks are *Public* open spaces within a community for recreational use...

Redevelopment - demolition of existing buildings and comprehensive redevelopment of the site.

Setting of a heritage asset: The surroundings in which a heritage-asset is experienced. Its extent is not fixed and may change as the asset and its surroundings evolve. Elements of a setting may make a positive or negative contribution to the significance of an asset, may affect the ability to appreciate that significance or may be neutral.

Superfast Next Generation Broadband. Super-fast broadband is generally taken to mean broadband products that provide a maximum download speed that is greater than 24Mbit/s .This threshold is commonly considered to be the maximum speed that can be supported on current generation (copper-based) networks.

Town Centre: Area defined on the local authority’s proposal map, including the primary shopping area and areas predominantly occupied by main town centre uses within or adjacent to the primary shopping area. References to town centres or centres apply to city centres, town centres, district centres and local centres but exclude small parades of shops of purely neighbourhood significance. Unless they are identified as centres in Local Plans, existing out-of-centre developments, comprising or including main town centre uses, do not constitute town centres.

Windfall site - site which has not been specifically identified as available in the Local Plan process. A previously developed site that has unexpectedly become available.
