20/00350/OUT	Land at Bracknell Town Football Club	Withdrawn	B.T Councillors feel the correct procedure before any application of this size is submitted would be to have an open public consultation to be seen and discussed by all local residents and authorities. The consultation should cover all aspects of this application regarding the impact it will have on the local area regarding size and scale of the development, changes to local amenities due to the site of this development and increase in traffic volume in regard to safety, parking and access. Councillor's would also like to see details for the future home of Bracknell Town Football Club. B.T Councillors would like to see this matter resolved before making any comments or decisions on this case.

20/00511/FUL	25 Longwater Road	Approval	<p>1) More development in a small cul-de-sac which will have a negative impact in a road that already suffers with parking congestion and is becoming a recurring problem in Bracknell Forest.</p> <p>2) Overdevelopment, this property already has a sizeable single storey rear extension adding another storey would be completely out of character with the other properties in this area.</p> <p>3) Overshadowing the scale and size of this addition is overbearing to the neighbouring property</p> <p>4) A large side entrance has been added to the rear garden that does not appear on the application, block plan or any other of the plans that have been presented.</p>
